

WITA®

Important information on the REACH Regulation:

“According to the REACH Regulation Article 33, we are obliged to inform you if a supplied article contains a substance on the SVHC candidate list for authorisation procedure (<https://echa.europa.eu/de/candidate-list-table>) to more than 0.1 %. The reference value is the smallest article of a compound article (definition at <https://www.reach-clp-biozid-helpdesk.de/de/REACH/Articles/EuGH-Ruling/EuGHUrteil.html>)

In the following list we list WITA products with components in which the substance lead (EC Number: 231-100-4, CAS Number: 7439-92-1) is contained to more than 0.1 %. As lead is a fixed alloy component and therefore no exposure is to be expected, no additional information on safe use is necessary.

Product description	affected components
Mixing valve Minimix	Mixer housing, mixer plug
Mixing valve Maximix	Mixer housing, mixer plug
WMB-Mixing valve	Mixer housing, mixer plug
Wita H-Mixing valve H6	Mixer housing, mixer plug
Wita H-Mixing valve H10	Mixer housing, mixer plug
UNI-Compact Fitting	Mixer sleeve, mixer plugs
Wita-Bloc T20	Mixer sleeve, mixer plugs
Wita-Bloc T40	Mixer sleeve, mixer plugs
Wita-Bloc T60	Mixer sleeve, mixer plugs
Wita-Bloc T08	Mixer sleeve, mixer plugs
Combi Group WMB	Mixer housing, mixer plug, spacer, union nuts
Drinking water circulation pump	Pump base, union nut
Drinking water circulation pump go.future Z	Pump base, union nut
Drinking water circulation pump go.future Z+	Pump base
Heating circulation pump HE 75-Fxx	Plug on the pump base
Heating circulation pump HE 100-Fxx	Plug on the pump base
Heating circulation pump HE 120-Fxx	Plug on the pump base
MS-Fittings	all brass screw connections, inserts
Actuator SM 4	Gears, plain bearings
Actuator SM 44	Gears, plain bearings
Actuator SM W05/10	Gears, plain bearings
Actuator SM WR FR	Gears, plain bearings
Actuator with ball valve SM W KV	Gears, plain bearings
